

## ENVIRONMENTAL PLANNER

**Logan Simpson**, a growing multi-discipline, environmental planning and design firm, is looking for an **Environmental Planner** to work in our Fort Collins, Colorado office.

The ideal candidate will have proven technical expertise and experience in NEPA documents, permitting, resource management, and travel management. A strong emphasis will be placed on individuals who have experience with electric utilities and renewable energy development. In addition, individuals should have a strong background in managing NEPA documents, and established relationships with federal, state, and local land management and regulatory agencies.

Candidates must be enthusiastic, self-directed, well-organized, and possess strong written communication skills. Additionally, candidates must have a positive attitude and an open mind towards involvement on a wide range of project types.

### **Required Qualifications:**

- Bachelor's or Master's degree in Natural Resource Policy, Ecology/Biology, Anthropology, Landscape Architecture, Environmental Studies or closely related field.
- 5 years minimum relevant consulting or agency experience in NEPA, resource management, travel management, or permitting.
- Demonstrated project management experience.
- Excellent written/verbal communication, with strong interpersonal skills.
- Exceptional attention to detail and quality control a must!

**Logan Simpson** offers a comprehensive benefit package and a competitive salary. If interested, please apply online at <http://logansimpson.com/about/careers/> and attach a resume and a cover letter that provides details of independent NEPA writing experience and includes salary requirements.
