

## ASSOCIATE PLANNER

### JACKSON HOLE COMMUNITY

Teton County is a year-round resort community, located in the northwestern corner of Wyoming. In the summer, tourists experience our County as the southern gateway to Grand Teton and Yellowstone National Parks; while winter visitors enjoy three world class ski resorts. Approximately 97% of the land within the county is held in public ownership – National Park, National Elk Refuge, and National Forest.

Teton County is a unique place to live, offering many outdoor recreational activities, abundant wildlife and open spaces, fine dining, and premier cultural arts offerings. Approximately 21,500 people live in Teton County, but as a resident, you quickly learn that you share your home with over 3,000,000 visitors from all over the world. Despite this influx, Teton County maintains its western heritage and hospitality.

### PLANNING & BUILDING SERVICES DEPARTMENT

The Department seeks to adaptively implement the Jackson/Teton County Comprehensive Plan and its guiding values of Ecosystem Stewardship, Growth Management, and Quality of Life. The Department provides public services related to land use and development permits, long-range community planning, building permits and inspections, zoning and enforcement, and other related services.

Our ideal candidate is a team-player and detail oriented individual who possesses the ability to prioritize and multitask, and is able to communicate technical material in both written and verbal form to a variety of individuals. **The Planning and Building Services Department is structured to provide opportunities for advancement.**

#### **Primary Responsibilities:**

- Serving as the initial point of contact for customer service regarding general regulatory inquiries about the Land Development Regulations.
- Reviewing development applications, assuring all projects recommended for approval comply with all Land Development Regulations, goals and objectives of the Comprehensive Plan, and other policies of the County.

#### **Minimum Qualifications:**

Bachelor's Degree in Planning, Landscape Architecture, Architecture, or related field; AND two years of experience with community development and planning programs; OR equivalent combination of education, training, and experience. Master's Degree is desirable.

Teton County offers an excellent comprehensive benefit package 100% employer paid which includes health, vision, and dental insurance; retirement benefits; and paid vacation, sick and holiday leave.

*Hiring Range: \$52,845 - \$55,521*

**Application deadline is May 30, 2019 4:00PM**
