

ASSOCIATE PLANNER

Great professional opportunity in a beautiful mountain resort community! Teton County is the gateway to Grand Teton and Yellowstone National Parks, with abundant wildlife and outdoor recreational opportunities.

Our ideal candidate is a team player who is detail-oriented with excellent written/verbal communication skills and the ability to prioritize and multitask. To qualify, must have a Bachelor's Degree in Planning or related field; and two years of experience in planning and community development programs. Master's Degree is preferred.

Primary Responsibilities:

- Serve as the main point of contact for property owners, developers, and the public.
- Review and process development applications for compliance with County LDRs and the Comprehensive Plan.

Application deadline is March 18th, 4:00PM.
